FREE FIRE

"Land fast. Kill faster. Leave no one standing."

The island of Bermuda calls — and only the boldest squads answer. Free Fire at Sabrang 2026 is an all-out battle royale blitz where every kill counts and one wrong move ends your run. Breeze through the Qualifiers, dominate the Finals, and prove your squad has what it takes when the zone closes in. No glitches, no shortcuts, no second chances — just pure, raw survival.

1. ELIGIBILITY & REGISTRATION

- Open to all college students.
- Participants must have a valid college ID.
- Teams must register before the deadline (no on-spot entries).

2. TEAM COMPOSITION & ROSTER LOC

- Squad Size: 4 players (main squad) + 1 substitute (optional).
- Team names must be appropriate (offensive names will be rejected). Roster Lock: All player names and in-game IDs must be submitted 24 hours before the tournament start. No roster changes allowed after the lock deadline.
- Substitute Rules: The registered substitute can only replace a main player between matches (not mid-match). If a player disconnects during a match and the substitute is unavailable, the squad continues with the remaining players.

VALORANT

"Five agents. One mission. Zero second chances."

Plant or defuse — every round at Sabrang 2026 is a high-stakes tactical battle. Valorant brings elite 5v5 gameplay to the college arena, where sharp aim, agent synergy, and split-second decisions separate the champions from the rest. From the Group Stage grind to a Best of 5 Grand Final, only the most disciplined squad earns the right to call themselves champions.

1. ELIGIBILITY:

- Open to all current students of [College Name].
- Participants must have a valid college ID.
- Teams must register before the deadline (no on-spot entries).

2. TEAM COMPOSITION:

- 5v5 (Main players) + 1-2 substitutes (optional).
- Team names must be appropriate (offensive names will be rejected).

3. GAME SETTINGS:

- Mode: Tournament Mode (Standard Plant/Defuse).
- Maps: Pre-decided by organizers or picked via veto system. Server: Mumbai (or closest available server).

4. CHEATING & FAIR PLAY:

- Any form of hacking, scripting, or exploiting bugs will lead to immediate disqualification.
- Smurfing is not allowed (players must use their main accounts). Teams may be asked to share screens via Discord/Zoom for monitoring.
